Discovering the best in all

Dear Parents and Carers,

During their time at school, the children will have the opportunity to take part in various food tasting sessions as part of the curriculum. Please can you sign the consent form below so that your child can participate. Please mark clearly if they have any allergies.

We would like to keep this on file while your child is at Barns Green Primary School. Please let the office know if your child develops a new allergy or has a reason not to try food, as it arises.
